Subject: requesting an extension on an assignment submission deadline.

Respected Sir/Madam,

I am writing to respectfully request an extension for the upcoming assignment submission due on 31st March 2026. Over the past week, we have been managing a particularly heavy academic workload, with multiple assignments, tests, and deadlines scheduled across different subjects. This has made it challenging for many of us to devote sufficient time and attention to this assignment and complete it to the best of our abilities.

We truly value the importance of this assignment and want to ensure that our submissions reflect a clear understanding of the concepts. Therefore, I kindly request you to consider granting an extension of a few days for the project.

We apologize for any inconvenience caused and sincerely appreciate your understanding and support.

Thanking you,

Medhansh Khattar
